

Hey neighbor!

Did you know that Greenlight Networks, an ultra-fast fiber Internet provider, may be available in our area? Check to see if your house is serviceable by heading to their website. Greenlight offers GIG speeds for as low as \$75/month and requires no contracts! By clicking the “check availability” button, you can sign up for updates in your neighborhood or place an order if service is available. Plus, it shows Greenlight that there is interest in our area! So, sign up today and help us get connected to fast, reliable, and affordable Internet!
